Education

Vishwakarma Institute of Information Technology (VIIT), Pune

B.Tech – Electronics & Telecommunication

Dec 2023 – May 2027

R.S. Gawai Jr. College of Science, Chikhaldara

HSC – Class XII | Percentage: 77.67%

Jun 2021 – Mar 2022

Gurukul Public School, Paratwada

SSC – Class X | Percentage: 57.67%

Jun 2019 – May 2020

Technical Skills

- **Programming Languages:** Java, JavaScript, Python, TypeScript
- **Development:** HTML, CSS, SpringBoot, Angular
- **Core Knowledge:** OOPs, Arduino, Machine Learning, REST APIs, SQL, DAA, DSA
- **Tools:** Figma, Tableau, Power BI

Experience

Software Development - Intern

Jan 12 – Present

Tracksoft Solutions

- Worked on the company's product "EnrolMe" in the frontend development team.
- Assisted in building and enhancing user interfaces while collaborating with backend teams.
- Gained hands-on experience with REST APIs, SQL, and Spring Boot for data handling and service integration.
- Supported feature implementation, testing, and bug fixes in a real-world production environment.

Projects & Research

MentorConnect — Student Mentorship Platform (Flask MVP)

- Developed a production-ready Flask web application connecting students and mentors, implementing role-based authentication, user profiles, mentor discovery, session requests, messaging, and reviews using a and reviews using a modular factory architecture with SQLite, Flask-SQLAlchemy, and Flask-Migrate.

Smart City Guide | Java

- Designed and developed a college project prototype of a Smart City Guide using Java Swing and AWT. Featuring an interactive GUI, SQL-based data handling, event-driven user interactions, and modular components to demonstrate city information, services, and navigation concepts.

Crop Recommendation System | Python, ML

- Built an ML-based crop recommendation system using soil and climate data, applying data preprocessing and training models such as Random Forest and SVM with a Flask-based web interface for user input prediction and evaluated model accuracy.

Achievements & Certifications

- Google College Ambassador
- Filed an Indian patent in power distribution fault detection
- Published multiple international conference papers
